

# Reopening Best Practices

July 5, 2020

- If you are **at-risk, ill, or think you are**, please join us from home on the livestream.
- **For those not coming**, join us on YouTube. Subscribe at [our RF Cov YouTube channel here](#).
- Please **sign up below to help us plan** seating. We are starting with 100 (not including volunteers). If family or households sit together, it helps use the space well.
- **Church will be well cleaned** during the week between services.
- **While here:**
  - **Doors are open** to limit contact with surfaces.
  - Please use **hand sanitizer** often.
  - Please **practice a social distance** of 6-feet.
  - At this point, **masks are expected** in case you are not showing symptoms, etc.
- **Experience of Sunday service:**
  - Enter through multipurpose doors (*Doors open 9:15 a.m.*)
  - On masks: If you can bring one that is appreciated, but we will have some here.
  - Ushers will help you find seating, which will be staggered with one row roped off and three seats between households/families.
  - There will not be congregational singing initially but we will seek to use music. We highly value singing together and hope to return to it sooner than later but also appreciate the opportunity that other expressions of worship could also have in this time.
  - No offering plates will be passed but you can use the offering boxes or give online: [www.rfcov.org/give](http://www.rfcov.org/give).
  - Jr. Church and Nursery will not be available at this time.
  - Options for celebrating communion are being explored.
  - At the end of service, ushers will release each row to the south door of the Worship Center.
  - Since we don't know each other's practices, we recommend fellowshiping in the parking lot while respecting social distancing.

[Sign up here for physically gathering for the Sunday, July 5<sup>th</sup> worship service!!!](#) **If it is full**, please contact the office ([office@rfcov.org](mailto:office@rfcov.org)) to be on the waiting list. (By doing so, this also helps us know of the interest level for future planning.)

We look forward to worshipping with you in person or online!
