Engaging the Story of Jesus in Holy Week

Be shaped by the right story in a special week to enter the story of Jesus. Develop a “rule of life” for the week to move into being with Jesus, not just attendance. Use the numbers to pick one or two items for each day or write your own idea below.

1. Use the **Holy Week Bookmark** to engage the story when they occur this week. ****GREAT for kids & families too!****
2. **Fast** for a meal or a day. (Good Friday is particularly meaningful.)
3. Read **1 Corinthians 15:1-11**. Paul reminds them of the King Jesus story and then includes how his life is shaped by King Jesus. Write out the story of Jesus for yourself and then your story in his story.
4. **Give or serve** someone sacrificially that is not a follower of Jesus.
5. On Maundy Thursday, sit quietly and ask God where you have denied him by words or actions. **Repent, confess and receive** the love, grace, and mercy of God.
6. On Good Friday, sit quietly for 10-15 minutes prayerfully **reflecting on Christ’s suffering for you** -- physically, emotionally, relationally, spiritually.
7. **Watch** *The Chosen* (3 seasons) or the *Jesus* film or *The Passion of the Christ*. For kids, try *What’s in the Bible?* in the church library.
8. **Maundy Thursday Service** 6:30p
9. **Good Friday Service** 6:30p
10. **Holy Saturday Retreat of Silence** 9a-Noon
11. **Holy Saturday Prayer Time:** God’s Presence in Life’s Transitions 11-11:40a
12. **Resurrection Sunday** 9:30a Invite someone and come celebrate!
